

Leave a
legacy of
loving kindness

for the rescue and rehoming of abandoned pound dogs

Dogwatch Sanctuary Trust is one of New Zealand's leading dog rescue organisations.

Since we started in 1982, we've rescued and rehomed thousands of abandoned pound dogs; dogs who through no fault of their own would otherwise have been destroyed.

We bring all of the dogs we rescue to our purpose-built adoption centre in Christchurch where they are loved and cared for by our dedicated team of staff and volunteers until we find them safe, loving, permanent homes.

It's only because of the generosity and support of kind-hearted people just like you, that we can continue to do this work.

Let's make a difference together.

Just one sentence in your will can make a lifetime of difference to the dogs in our care. Your loving legacy - no matter what size - will help us to ensure that every dog we rescue gets the second chance it deserves. Talk to your lawyer today about making a bequest in your will - it's easy and it means so much!
